

Lafayette County Health Department Dental Clinic

Due to the Coronavirus (COVID-19) outbreak, and for the health and safety of our patients and staff, the Lafayette County Health Department will be suspending all routine dental services, effective March 25, 2020. We will be providing services on an emergency basis only. This change will be re-assessed after an approximate 3-week period. The well-being of our community is very important to us and we ask that everyone please continue with the appropriate precautions (social distancing, hand washing, etc....) to limit the risk of spreading this virus.

If any questions, please call 386-294-1321
Extension 6025.
